

Mother's Day Dough Delight: A Cookie Adventure

One sunny Mother's Day, Tommy, a 6-year-old boy, and his 4-year-old sister, Lily, decided to surprise their mom with homemade cookies. They put on aprons and got to work, making a big dough ball.

Mom joined them in the kitchen, and they all giggled as they mixed the dough. Flour flew everywhere, making them look like snowmen! Tommy tried to make a funny face with the dough, but it stuck to his nose, making Lily laugh.

They rolled out the dough and used cookie cutters to make fun shapes. Tommy made a dinosaur, while Lily chose a butterfly. Mom made a big heart cookie for them to share.

As they baked the cookies, the sweet smell filled the house. When they were ready, they all enjoyed the warm, delicious treats. It was a messy, funny, and love-filled Mother's Day that they would always remember.
