

Wilderness Wonders: A Summer Camp Adventure!

Get your tent and flashlight, it's time to go,
To summer camp, where adventures flow.
Light the campfire, let it shine so bright,
From morning 'til night, we'll have a delight.

In the wild, we'll roam and explore,
With our trusty map, getting lost no more.
Join the laughter, let joy be our guide,
On this thrilling journey, side by side.

Oh, the bear's antics bring a silly cheer,
Catching fish, playing pranks, spreading cheer.
Through nature we travel, feeling so grand,
Roasting marshmallows, stick in hand.

At the fireplace, we sing, clap, and cheer,
Summer camp memories, oh so dear.
So come, let's make memories and have a blast,
In this camp adventure, fun times will last.
