

DIY Coloring Crown For the New Year

Instructions:

1. **Print:** Print the crown template on cardstock paper.
2. **Color:** Use markers or crayons to color the crown as you like.
3. **Cut:** Carefully cut out the crown along the solid lines.
4. **Staple:** Fold the band and staple it to the back of the crown, below the crown's peak.

Now you're ready to wear your festive crown and celebrate the New Year!
